ORDER

AND NOW, this 30th day of October, 2024, upon consideration of Plaintiff John Doe's Motion to Proceed *In Forma Pauperis* (ECF No. 7), his Prisoner Trust Fund Account Statement (ECF No. 8), and his *pro se* Complaint (ECF No. 1), it is **ORDERED** that:

1. The Court's July 8, 2024 Order (ECF No. 4) is **VACATED**.
2. The Clerk of Court is **DIRECTED** to **REOPEN** this case.
3. Leave to proceed *in forma pauperis* is **GRANTED** pursuant to 28 U.S.C. § 1915.
4. John Doe, #1240904, shall pay the full filing fee of \$350 in installments, pursuant to 28 U.S.C. § 1915(b), regardless of the outcome of this case. The Court directs the Warden of the Riverside Correctional Facility or other appropriate official to assess an initial filing fee of 20% of the greater of (a) the average monthly deposits to Doe's inmate account; or (b) the average monthly balance in Doe's inmate account for the six-month period immediately preceding the filing of this case. The Warden or other appropriate official shall calculate, collect, and forward the initial payment assessed pursuant to this Order to the Court with a reference to the docket number for this case. In each succeeding month when the amount in Doe's inmate trust fund account exceeds \$10.00, the Warden or other appropriate official shall forward payments to the Clerk of Court equaling 20% of the preceding month's income credited to Doe's

inmate account until the fees are paid. Each payment shall refer to the docket number for this case.

5. The Clerk of Court is **DIRECTED** to send a copy of this Order to the Warden of the Riverside Correctional Facility.

6. The Complaint is **DEEMED** filed.

7. The Complaint is **DISMISSED WITHOUT PREJUDICE** for failure to state a claim pursuant to 28 U.S.C. § 1915(e)(2)(B)(ii) for the reasons stated in the Court's Memorandum.

8. Doe may file an amended complaint within thirty (30) days of the date of this Order. Any amended complaint must identify all defendants in the caption of the amended complaint in addition to identifying them in the body of the amended complaint and shall state the basis for Doe's claims against each defendant. The amended complaint shall be a complete document that does not rely on the initial Complaint or other papers filed in this case to state a claim. When drafting his amended complaint, Doe should be mindful of the Court's reasons for dismissing the claims in his initial Complaint as explained in the Court's Memorandum. Upon the filing of an amended complaint, the Clerk shall not make service until so **ORDERED** by the Court.

9. The Clerk of Court is **DIRECTED** to send Doe a blank copy of the Court's form complaint for a prisoner filing a civil rights action bearing the above civil action number. Doe may use this form to file his amended complaint if he chooses to do so.

10. If Doe does not wish to amend his Complaint and instead intends to stand on his Complaint as originally pled, he may file a notice with the Court within thirty (30) days of the date of this Order stating that intent, at which time the Court will issue a final order dismissing

the case. Any such notice should be titled “Notice to Stand on Complaint,” and shall include the civil action number for this case. *See Weber v. McGrogan*, 939 F.3d 232 (3d Cir. 2019) (“If the plaintiff does not desire to amend, he may file an appropriate notice with the district court asserting his intent to stand on the complaint, at which time an order to dismiss the action would be appropriate.” (quoting *Borelli v. City of Reading*, 532 F.2d 950, 951 n.1 (3d Cir. 1976))); *In re Westinghouse Sec. Litig.*, 90 F.3d 696, 703–04 (3d Cir. 1996) (holding “that the district court did not abuse its discretion when it dismissed with prejudice the otherwise viable claims . . . following plaintiffs’ decision not to replead those claims” when the district court “expressly warned plaintiffs that failure to replead the remaining claims . . . would result in the dismissal of those claims”).

11. If Doe fails to file any response to this Order, the Court will conclude that Doe intends to stand on his Complaint and will issue a final order dismissing this case.¹ *See Weber*, 939 F.3d at 239-40 (explaining that a plaintiff’s intent to stand on his complaint may be inferred from inaction after issuance of an order directing him to take action to cure a defective complaint).

JOHN R. PADOVA, J.

¹ The six-factor test announced in *Poulis v. State Farm Fire & Casualty Co.*, 747 F.2d 863 (3d Cir. 1984), is inapplicable to dismissal orders based on a plaintiff’s intention to stand on his complaint. *See Weber*, 939 F.3d at 241 & n.11; *see also Elansari v. Altria*, 799 F. App’x 107, 108 n.1 (3d Cir. 2020) (*per curiam*). Indeed, an analysis under *Poulis* is not required when a plaintiff willfully abandons the case or makes adjudication impossible, as would be the case when a plaintiff opts not to amend his complaint, leaving the case without an operative pleading. *See Dickens v. Danberg*, 700 F. App’x 116, 118 (3d Cir. 2017) (*per curiam*).
